

DAVI PARMA

WEB DEVELOPER

PROFILE

Since I became interested in the field of programming, I study daily to get my first opportunity. For 7 months I have been developing several projects to put into practice all my knowledge and I am sure I am ready to add to your team of programmers. I have ease of learning, good communication and all the time I seek to improve more and more.

OBJECTIVE

I am excited to pursue my goal of becoming a web developer and am eager to find a job that offers me the opportunity to gain new experiences and skills.
